

## **TERMS AND CONDITIONS OF USE: GARMAP**

Between Garmap (Pty) Ltd Registration No. 2007/018607/07 (“Garmap”) and any person or entity, using the Application (the “Licensee”). The Garmap software application (the “Product”) offered by Garmap to its customers, irrespective of the form of distribution, is provided to you as the User subject to these Terms and Conditions, as amended without notice from time to time. Use of the Product shall constitute your acceptance of these terms, including the limitations on use, liability and warranty set out herein. **If you do not agree to be bound by these terms, immediately discontinue use of the Product.**

### **IMPORTANT NOTICE:**

“Traffic Rules” for purposes hereof means the laws, regulations and rules which govern traffic and regulate vehicles, that may have developed over time to facilitate the orderly and timely flow of traffic in any particular territory.

**The User is cautioned to always observe the Road Traffic Rules, Regulations, Laws (“Traffic Rules”) in the Territory the Product is used in, as well as Responsible Driving Behaviour whilst using the Product. Where there is a conflict between the Traffic Rules and the Product instructions, the Traffic Rules in the territory where it is used, shall prevail. In certain territories the use of speed camera information may be in conflict with the Traffic Rules and the User shall access/activate such information at his own risk and indemnifies Garmap in full for any claim arising from such usage for any reason whatsoever. It is the User’s responsibility to use the Product prudently and to always visually verify roads, road signs, directions, lights and other navigation aids (in the case of marine buoys and the like).**

1. **USE OF PRODUCT** Garmap hereby grants a limited, non-exclusive, non-transferable Licence to use the Product, subject to the terms and conditions set out hereafter. A licence shall be valid only for the period stipulated upon purchase. The Licensee acknowledges that any and all of the Intellectual Property Rights used or embodied in or in connection with the Product are and will remain the sole property of Garmap and/or any third party supplier(s) of Garmap. The Licensee shall download, install and use one copy of the Product for use with a single display device. This copy is to be used by only a single user at a time. The User of the Product acknowledges and agrees that the Product may be device-specific to the particular device selected by the User on purchase and acknowledges that the Product may not function optimally and/or at all with other devices.
2. **LIMITATION OF LIABILITY** **Use of the Product is entirely at the Licensee’s own risk.** The Product is provided on an “as is” basis and all warranties, guarantees and/or conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded. Without limiting the foregoing, Garmap makes no warranty (whether express or implied) that (a) the Product will meet the Licensee’s requirements, (b) the Product will be uninterrupted, timely, secure, virus- free or error-free; or will be compatible with other software or applications it is used with or applied to, (c) the results that may be obtained from the use of the Product will be effective, accurate or reliable, (d) the quality of the Product will meet the Licensee’s expectations and (e) any errors in any Product will be corrected, or that (f) the information provided will be accurate/in compliance with Traffic Laws. In addition, Garmap makes no representations and warranties, express or implied, including the implied warranties of fitness for a particular purpose, merchantability and non-infringements. In no event will Garmap, its suppliers, employees, contractors, affiliated companies and/or affiliated third parties mentioned on Garmap’s website from time to time be liable for any loss, injury, death or damages of any kind, including without limitation, direct, indirect, incidental or consequential damages (including, but not limited to, damages for loss of profits, business interruption and/or

loss of programmes or information) claims and/or actions arising out of or in connection with the Product and/or use of the Product, due to Garmap's negligence or otherwise. In particular Garmap shall not be held liable for any loss, damage to property or life of any party and/or third party. Operation of the services is reliant on third party systems, weather conditions, satellites, and other external elements beyond Garmap's control. Garmap shall have no liability for the aforementioned influencing the performance of the Product and without limiting the foregoing, Garmap shall have no liability in the event of force majeure, which shall for this purpose be the inability to provide the service due to third party systems and failures.

The Licence granted in terms of this Agreement shall automatically terminate without further notice upon Licensee's breach of any term or condition of this Agreement by Licensee. No variation or addition hereto, including this clause, shall be of any force or effect unless reduced to writing and signed by a director duly authorised. This document contains the entire Agreement between the Parties regarding the matters contained herein and neither Party shall be bound by any undertakings, representations, warranties, promises or the like not recorded herein. No, leniency or extension of time, which either Party may grant or show to the other, shall in any way, prejudice that Party or preclude that Party from exercising any of its rights in the future. Garmap reserves the right to terminate and withdraw this license at any time without notice to the User. This Agreement and all matters or disputes arising therefrom, or incidental thereto shall be governed and construed in accordance with the laws of the Republic of South Africa. Garmap has a no return policy and no goods may be returned or exchanged for any reason whatsoever. USE OF INFORMATION AND MATERIALS No material and/or information contained in the Product and/or the Product itself may be copied, reverse-engineered, reproduced, republished, uploaded, distributed or on-sold in any way, except that you may download the software constituting the Product, for personal non-commercial use as intended. Modification of the material and/or the Product shall constitute a violation of Garmap and any third party copyright holder's copyright and proprietary rights in the Product. Public presentation or broadcasting and/or any other distribution of the Product is strictly prohibited. The Licensee shall not have the right to sublicense or transfer the data and/or software in any way (in whole or part) to any third party and may not copy or permit any party to copy the software and may not on-sell the Product.

3. NO IMPROPER USE OR UNLAWFUL CONDUCT The User hereby agrees not to use the Product for any purpose that is unlawful, improper or prohibited by these terms and conditions and will at all times act in a manner required by the prevailing laws of the territory the Product is being used in.
4. MODIFICATION Garmap reserves the right to modify and amend these terms and conditions without notice to the User.
5. GENERAL This agreement constitutes the entire agreement between the parties. No waiver by Garmap in respect of the User's actions or omissions with regard to any breach, failure or default in performance by the User, and no failure, refusal or neglect by Garmap to exercise any right hereunder or to insist upon strict compliance with or performance of the User's obligations under this agreement, shall constitute a waiver of the provisions of this agreement and Garmap may at any time require strict compliance with the provisions hereof.
6. GOVERNING LAW AND JURISDICTION These terms and conditions will be governed by and construed in accordance with the laws in force in the Republic of South Africa.

7. DISPUTE & BREACH All disputes arising out of or relating to this Agreement including disputes as to the meaning or interpretation of any provision of this Agreement, shall first be resolved or attempted to be resolved by the Parties through bona fide discussion within 30 (Thirty) days of such dispute having been declared by any of the parties. Subject to the above being exhausted, any dispute will be referred to an arbitrator of Garmap's choice being a Senior Counsel of the Bar Council of Johannesburg. Any award made by the arbitrator will be capable of being taken on appeal to the High Court of South Africa with the appropriate jurisdiction. The aforesaid will not preclude either party from obtaining intermediate relief on an urgent basis from a court of competent jurisdiction, pending the decision of the arbitrator. Garmap reserves the right to terminate and withdraw this licence at any time without notice to the User.
8. INTELLECTUAL PROPERTY RIGHTS "Intellectual Property Rights" means and shall include without limitation, copyright, trademarks, service marks, trade names, domain names, design rights, patents, petty patents, utility models and like rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing, rights in know-how, confidential information, designs, trade secrets, other intellectual property rights and all rights or forms of protection having equivalent or similar effect to any of the foregoing. The User acknowledges that any and all of the Intellectual Property Rights used or embodied in or in connection with the Product are and will remain the sole property of Garmap and/or any third party supplier of Garmap as the case may be. The User shall not question or dispute the ownership of such rights at any time during the time the agreement remains in force, or thereafter. In addition, the User acknowledges that he or she is not authorized to use, amend or exploit any of the intellectual property rights, including the trademarks in any manner whatsoever, without the prior written consent of Garmap.
